Marie-Ange Eyoum Tagne, PhD

ABOUT

Dr. Marie-Ange Eyoum Tagne is a globally recognized tech leader, award-winning author, and keynote speaker who empowers audiences to break barriers and lead with purpose and intention. As a trailblazer, she is the first African-born woman to earn a PhD in Electrical Engineering and Computer Science from UC Berkeley, she has driven innovation in AI, streaming, and trust and safety at Meta, Amazon, Intel, Yahoo, and Roku.

Her award-winning memoir, For Such A Time As This chronicles her journey from Cameroon to tech leadership in Silicon Valley, resonating deeply with leaders, entrepreneurs, and professionals navigating constant transformation with intention and purpose.

As a speaker, Marie-Ange delivers actionable insights on AI, innovation, leadership, diversity, and resilience, leaving audiences inspired, equipped, and ready to create meaningful impact.
